

GRAPHIC PROPOSAL

EXPOSITION AND INTERIOR PROPOSALS

We will change your ideas and marketing goals into proposals of exhibitions and interior designs of all sizes optimized not only in terms of appearance but also functionality and detailed solutions.

WHAT DO WE OFFER?

- > Proposals that take into account financial situation of our client
- > Variety of outcomes ranging from a simple visualization to complex animations
- > Flexible solutions that fit client's amendments
- > Consultations of a selected exhibition solution for each event
- > Recommendation of the most suitable way of product presentation

SOFTWARE

Our designers' sketches are further processed with latest versions of professional graphic software (e.g. Cinema 4D, Adobe After Effects) to ensure we produce solutions of the highest quality possible.

We use latest presentation technologies including virtual reality across all platforms.
